ATPI re-branding as Alden Technology Partners, Inc. and Launches New Website

New York, June 7, 2007 - Alden Technology Partners – The IT Partner to the hedge fund community, has completed a re-brand which includes a new website, logo and branding the full company name – Alden Technology Partners, Inc (ATPI).

Announcing the launch, Mark Salameh, President, said: “Alden Technology Partners is delighted to launch our new look, which better represents our commitment to servicing the IT needs of the hedge fund community. Our goal was to have our new brand reflect the true partnership we developed with the hedge fund industry.”

About Alden Technology Partners

Alden Technology Partners provides technology solutions solely to hedge funds. The Alden Technology Partners team consists of skilled professionals with a track record of success in the fast-paced hedge fund community. We combine the hedge fund experience an IT generalist lacks with the focus and responsiveness that a large financial services IT shop is unwilling to provide. Alden Technology Partners collaborates with clients to create cost effective solutions based on their unique needs. Alden Technology Partners Solutions include: Outsourced IT, Start-up and Relocation Services, Vendor Management, Network Security and Disaster Recovery. For more information, visit our website at: www.aldentech.com.
